Chapter 1/1

It was always like this.

Hands grasping in darkness, restless yet with performance energy. Drawn, each to the other, with no shame, no regret. Words were not necessary between them, not after so many years, though some were spoken anyway.

"Billie!"

The singer's throaty murmur thrummed right through his body, answering the helpless plea. Soothing the need that sprang up so effortlessly time and again. Those calloused fingertips, stroking expertly; those sensuous lips, hiding teeth that could be cruel; that cock and its inevitable penetration; that *sound*...all combined to leave him gasping, utterly spent in his lover's arms.

Always.
